CHEMICALS OF INDIA

Chemicals of India was formed in 1984 when leather industry in India was at an initial stage of its development.

Ever since its inception, the company continues to develop quality products for our customer, and intensifying relations with customers.

Tailour - made products lead us to deliver our committment, building confidence in our products among customers.

We keep innovating and developing specialty chemicals for various core industries for our customers

Binder BS

(Medium Soft Acrylic Emulsion)

2

COI™

Binder SF

(Soft Acrylic Emulsion)

3

COI™

Binder SSF

(Soft Acrylic Emulsion)

4

COI™

Protein Binder

(Casein Binder Emulsion)

5

COI™

Silicon LS

(Silicon Release Emulsion)

6

COI™

Wax Emulsion

(Wax For Plating)

7

COI™

Shublac WS

(NC Lacquer diluable both with solvent and water)

8

COI™

Pigment (Casein Base)

*(All colours available)

9

COI™

Pigment (Casein Free)

*(All colours available)

10

COI™

Syntan Acrylic RE

(Acrylic Retanning Agent)

* Customised Shades are also manufactured

Rubber Chemicals

-  COITM Silicon FS
-  COITM Silicon ES
-  COITM Silicon MRL
-  COITM Silicon MRH
-  COITM Silicon MRA

Paint Chemicals

-  COITM Acrylic Binder
-  COITM Styrene Acrylic Binder
-  COITM ASE R Modifier
-  COITM HASE R Modifier
-  COITM Binder GP

Construction Chemicals

-  COITM WPG
-  COITM WPE
-  COITM WPM
-  COITM Silicon MRS
